

Douglas Melo Prestes Campos

Brazilian, married, 38 years old

Av. Vila Ema, 831, Apto 94 - Vila Prudente - 03156-001 - São Paulo - SP

Phone: (11) 95340-2286 / E-mail: douglasmpcampos@gmail.com

Goal

Acting in the development, implementation and maintenance of applications increasing my knowledge and programming skills and contributing to the growth of the organization.

Professional Resume

I describe myself as a proactive, creative and self-taught professional. I have the ability to learn and adapt quickly. I'm considered a bit of a generalist, but I like to delve into all matters involving technology.

Solid experience in programming and maintenance of different types of systems. Ability to design and create support systems and environment management. Approximately 15 years working with PHP and Linux programming language, also developing small applications for mobiles.
